

## 5th June, World Environment Day 2020

“Biodiversity” is chosen as *theme for World Environment Day 2020* by United Nations (UN)

---

“With 1 million species facing extinction, there has never been a more important time to focus on biodiversity.”

---

***Biodiversity*** is the variety of various living organisms present on earth and their interaction and interrelationship. We can say as variety of life on earth is called as biodiversity.

## CONTEST DETAILS

Indian Society of Geomatics, Ludhiana Chapter in collaboration with Punjab Remote Sensing Centre (PRSC), Ludhiana is pleased to announce that we are organizing Poster Making and Essay Writing Competition on the occasion of World Environment Day, 2020. The main objective of the celebration of World Environment Day is to spread awareness of the preservation and protection of the environment. With the lockdown in full effect, all of us are stuck at home all day, every day. While this leaves us bored than usual, there's a silver lining to this situation. We now have the time and motivation to showcase our ideas through creativity to the world.

Contest is open for Students from colleges and universities within Punjab state and UT Chandigarh.

**In these trying times, for the sake of your well-being and that of your loved ones, we urge you to stay home, stay safe and stay creative.**
