Celebration of World Environment Day

Invitation to students of schools to participate in the competition

The Ludhiana Chapter of Indian Society of Remote Sensing *in collaboration with* Punjab Remote Sensing Centre is celebrating the World Environment Day. In this context, we are encouraging the students of Class VIIIth to XIIth of various schools for participation in this event by submitting the paintings/photos/short story of one page on the following topics:

1. Innovations in Environment Technology
2. Environmental Degradation

The students can even submit the clicked photo of place where innovative environmental technologies are used to protect the environment and also the causes due to which the environment is degraded. **The student can submit the photo/short story via email at isrsludhiana@gmail.com** or **setiark@gmail.com.**The **paintings can be submitted** at Punjab Remote Sensing Centre, Near 211-F, Kitchlu Nagar, Ludhiana.

The **last date of submission is 15th July 2016**. The winners of the competitions will be given prizes in a function to be organised by the end of July.

For any further clarifications, please contact Dr R K Setia on 9646105308.

Thank you for taking time to read this letter and consider the invitation.
