

# Dr Pateriya is ISRS vice-prez

TRIBUNE NEWS SERVICE

LUDHIANA, FEBRUARY 25

Dr Brijendra Pateriya, Director, Punjab Remote Sensing Centre, has been elected as vice-president of the Indian Society of Remote Sensing (ISRS) for 2020-22.

The ISRS, a professional body of space scientists, is giving emphasis on application of space technology for solving various types of real-world problems related to resource management, environmental assessment and disaster management

The ISRS, a professional body of space scientists, is giving emphasis on application of space technology for solving various types of real-world problems related to resource management, environmental assessment and disaster management.

The executive council of the ISRS will have six office-bearers and Dr Pateriya, first time from Punjab, will be part of the executive council as Vice-President. Dr Pateriya has a distinct vision of global thinking and futuristic approach in the new space age to contribute in science and technology for the welfare of society and institution building.

# डॉ. पटेरिया बने आईएसआरएस के वाइस प्रेसिडेंट

लुधियाना | पंजाब रिमोट सेंसिंग सेंटर  
के डायरेक्टर डॉ. बृजेंद्र पटेरिया  
को इंडियन सोसाइटी ऑफ रिमोट  
सेंसिंग (आईएसआरएस) 2020-

22 के लिए  
वाइस प्रेसिडेंट  
के तौर पर  
चुना गया है।  
आईएसआरएस  
स्पेस साइंटिस्ट

की प्रोफेशनल बॉडी है, जोकि  
स्पेस टेक्नोलॉजी का इस्तेमाल कर  
लोगों को स्रोत प्रबंधन, पर्यावरण  
से जुड़ी समस्याओं और कुदरती  
आपदाओं में आने वाली समस्याओं  
का हल देने की कोशिश करते हैं।  
आईएसआरएस की एग्जीक्यूटिव  
काउंसिल में छह सदस्य होते हैं।  
पंजाब से पहली बार किसी सदस्य  
को एग्जीक्यूटिव काउंसिल के वाइस  
प्रेसिडेंट के तौर पर चुना गया है।
