

PUNJAB REMOTE SENSING CENTRE

QUALITY POLICY

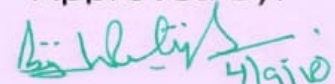

Our Quality Policy specifies the Degree of Excellence as all activities of the Punjab Remote Sensing Centre (PRSC) will be carried out in a systematic manner in accordance with defined and documented Policies and Procedures, meet applicable legislative requirements, be visible and auditable, and meets the needs of Stakeholders, Learners and Staff. We aim to excel in high standards of project execution, quality training and education in the field of Geoinformatics.

We realize that Quality is the responsibility of all personnel, and therefore will promote a Quality Culture within the organization by means of sharing information, including personnel in decision making and delegating specific Quality Management functions to suitably skilled and competent persons.

Where deficiencies are found, related to the operation of the Quality Management System (QMS), correction & corrective action will be taken to ensure continual improvement of policies and procedures of PRSC. The Quality system has the full commitment of Management.
