1. The Earnest Money of Bidder whose tender is not accepted, will be refunded after finalization of the bid process.
2. The Earnest Money of the successful bidder will be deemed as security money for the performance of the services.
3. No correspondence/ discussion/ visits whatsoever will be entertained on the subject unless specifically asked for by this office after opening the tenders for technical discussion/ negotiations. Any violation of this will render the quotations invalid and firm is liable to be blacklisted.
4. Tender shall be valid for a period of 90 days from the opening of tender.
5. Punjab Remote Sensing Centre herein called PRSC reserves the right to call for technical clarifications/commercial negotiations. The company should depute competent representative for such matters.
6. No Zero rate or negative tender will be considered.
7. PRSC reserves the right to place order as per requirement of the Centre.
8. In case of future extension(s) the Agency shall pay a Performance Security to the tune of 10% of the total E.M.D. already deposited in the form of DD in favour of the Director, P.R.S.C payable at Ludhiana. The said performance security shall be refunded after 90 days of the completion/termination of the Contract without interest.
9. The successful bidder will have to sign, the contract agreement with PRSC, Ludhiana on a Non-Judicial stamp paper of Rs. 100/-
10. All other terms and conditions will be as per the agreement entered by the MSP with PRSC, Ludhiana.
11. The MSP shall be answerable to the Director, PRSC and /or to an Officer authorized by PRSC for coordinating the day-to-day work.
12. The company engaged should not have any adverse police records/criminal cases against them.
13. The service provider or its personnel shall not divulge or disclose to any persons of any details of office, operation process, technical know-how, security arrangements, Administrative/ organization matters as all are confidential/secret in nature.
14. The service provider shall provide the required services on holidays also if required.
15. The service provider shall be contactable at all times and message by Phone/Email/Fax from PRSC shall be acknowledged immediately on receipt on the same day. The Service Provider shall strictly observe the instructions issued by PRSC implementing the Contract from time to time.
16. PRSC shall not be liable for any loss, damage, theft, burglary or robbery of any belongings, equipment or vehicles of the engaged service provider.

**(b) Job Conditions**

1. Punjab Remote Sensing Centre (PRSC) reserves the rights to fix the qualifications and remunerations as per instructions issued by Punjab Government as well as PRSC from time to time.
2. The work involves providing Facilities Management Services for IT equipments/AMC at PRSC, Ludhiana and anywhere in Punjab as per requirement of PRSC.
3. The decision of Director of PRSC or his authorized representative/ committee as the case may be, applicable pertaining to the quality and quantity of work/services performed by the manpower provided by the MSP will be final and acceptable to the MSP besides being binding. It shall be the responsibility of the contractor to rectify the deficiencies so pointed out without any extra payment. In the event of default by contractor, the Punjab Remote Sensing Centre reserve the right to get the work / services, so dropped, done at its own level at the cost, risk and responsibility of the contractor after giving a notice in regard thereto in writing and the expenditure so incurred by the PRSC will be recovered from the bills of the contractor or from any other outstanding dues, as it may deem fit.
4. The MSP shall take all necessary precautions and measures to prevent any electrical accident /IT Equipments unlawful act or disorderly conduct of any person so assigned and for the preservation of peace and protection of persons and property of Punjab Remote Sensing Centre, where they are employed.
5. The manpower assigned by the MSP for the work shall be the employees of the MSP for all intents and purposes and in no case, there shall be any relationship of employer and employee between the said manpower and PRSC, Ludhiana and they shall not have any claim on regularization of their services in PRSC and other Government entity.
6. The MSP shall be solely responsible for fulfilling all of his obligations towards the persons assigned under any law e.g. Maternity Act Benefits, Shops and Establishment Act, GST and any other statutory obligations as applicable and amended from time to time.
7. There will be no change in the rate of items.
8. During the tenure of AMC if a new system/equipment is added (which needs AMC), the rate will be of the item in the AMC which has a similar or closest technical specification.

**Scope of work of AMC also includes**

- (a) Maintenance that includes the replacement of malfunctioning spares/ parts for proper functioning of all systems and sub-systems listed in Annexure-I by the MSP. If any part gives repeated problems, i.e., 2 repairs in a minimum period of two-month time, then the MSP must replace it immediately with a new part.
- (b) Maintenance that includes replacement of each and every malfunctioning part of Computer, printers and related items listed at Annexure-I, like Hard Disk, CD/DVD Reader/Writer, Mother Board, Keyboard, Mouse, Printer Heads, Fuser assembly,

roller drums, data cables, scanning unit, switch, power supply, display card etc. and all the plastic parts except consumables are under this AMC by the MSP.

- (c) All parts to be replaced by the MSP must be of the same make. In case it is not possible, the same must be of better or equivalent quality. In the service report, the details regarding the part number and serial number (if any) must be brought out clearly.
- (d) The software maintenance includes Operationalizing, loading/reformatting of software/discs with software like Windows, Linux, Microsoft Office, Other Technical Software (e.g. Image Processing, GIS & Statistics), Browsers like Internet Explorer, Chrome, Mozilla etc. and Mailing Software like Outlook Express, Antivirus software, Data retrieval and installation/removal of any other software purchased by PRSC from time to time. It also includes removal of virus and re- installation of software, if corrupted. Support for users and troubleshooting of commercial software (Licensed) packages mentioned above.

#### **Other terms and conditions**

- a) The MSP shall depute, throughout the contract period, a well-qualified engineer who can maintain the equipment listed in Annexure-I properly. The Engineer should be an Indian national only, having, at least, four year degree/ three year diploma in Computer hardware and related field. The Engineer should have, at least, 2 years of experience and should be specialist in repairing and maintaining Computers, Printers, Networks and NAS.
- b) The MSP would carry out preventive maintenance of each machine mentioned in Annexure-I once in every month, in order to forestall any major failure of the same which includes installing of updates of antivirus packages. MSP should also ensure proper cleaning of machines on quarterly basis. Failure to do so shall attract penalty at the rate mentioned at penalty clause;
- c) The equipment will have to be repaired in-house. In rare cases when it is very essential to take out the equipment for repairs outside PRSC, it is mandatory to have a valid gate pass for such equipment and making proper entries with Coordinators and at Reception/Security office.
- d) Upkeep and maintenance of the hardware installed as per the items mentioned in Annexure-I. MSP must also maintain the required drivers (CDs & USB Disk) for maintaining the equipment in Annexure-I.
- e) Service level agreement (SLA) will be three tier:: a) Level-1 (High Priority) issues should be solved within 24 hours , b) Level-2 (Medium Priority) issues should be solved within 48 hours and c) Level-3 (Low Priority) issues should be solved within 72-96 hours. Priority of issue will be decided by PRSC.
- f) Stand-by arrangement to be made in case the equipment is to be taken to workshop for repairs or item is not usable. In case standby is not provided, and the item is not usable beyond the 48 hours, a penalty of Rs 200/- (Rupees two hundred only) per day will be charged. The amount of penalty will be either recovered from the Bank

- Guarantee/Security of the Annual Maintenance period or from the AMC charges/bills.
- g) Loss of any part in the product on account of negligence attributable to the MSP, the MSP at his own discretion may reinstate or replace the malfunctioning / non-functioning part or whole of the product with a working part or whole of the product of a matching or higher configuration. However, in the case of hard disc, MSP should provide a new hard disc of matching or higher configuration.
  - h) Although the firewall, managed switches (2), NVR (2nos), few CCTV cameras are under warranty but support is required for the configuration/settings of these devices. After the expiry of the warranty of these devices, the devices shall also be added to the AMC.
  - i) Maintenance of all the Network Devices installed in the PRSC Campus, their fixing stands and its power supply arrangement.
  - j) Maintenance of cable and wireless connectivity between the network devices and/or computers. Maintenance of LAN I/O point units.
  - k) AMC will also include the hardware or software troubleshooting of any network issues arising in the computer network.
  - l) Preventive maintenance will include monitoring the conditions in which the hardware is working and forewarning the in-charge of any factors detrimental to the satisfactory functioning of the hardware.
  - m) Laying of computer network cables for new devices in the PRSC campus and its integration with the existing network.
  - n) AMC will also include the proper configuration of the Firewall and troubleshooting any issues related to it.
  - o) AMC will also include the work for any changes occurring due to the changes in the IP addressing scheme. AMC will also include consultation to improve the computer network from time to time.
  - p) Maintenance of all the CCTV cameras installed in the PRSC Campus, their fixing stands, Weather proofing arrangements for the cameras, DVR, media converter and its power supply arrangement.
  - q) Maintenance of cable connectivity between cameras located at different locations shall include maintenance of cable, termination device, POE, fixing rack, network device/ network cable etc. and their power supply arrangements at the camera end.
  - r) AMC will also include the troubleshooting of any hardware and network issues arising in the CCTV network. Laying of network for new CCTV cameras in the PRSC campus and its integration with the existing network.

**(c) Payment Terms**

1. Mode of payment will be through cheque on receipt of bill and attendance duly verified from concerned agency/ persons.
2. The payment will be released for which contractor will have to submit the bill in duplicate duly pre-recipient to the Punjab Remote Sensing Centre for payment.
3. All Statutory liabilities shall be met by MSP.
4. Punjab Remote Sensing Centre will deduct T.D.S and any other applicable statutory deduction from monthly payment made to the contractor as per applicable rules.
5. The MSP shall provide Services Facilities for IT equipments/AMC as per the agreement made with

the Punjab Remote Sensing Centre and if the quality and strength is found less, the proportionate recovery will be made.

6. The MSP will submit to the PRSC the required documents of statutory taxes.

**(d) Contract Period**

1. The contract is applicable initially for a period of 12 months, if the services of the MSP found satisfactory contract may be extended for another period as deemed fit by Punjab Remote Sensing Centre. The decision of the PRSC in this regard shall be final in all matters related to this agreement.
2. In case, PRSC feels dissatisfied with the services, the contract is liable to be terminated at any time without any notice.

**(e) Code of Conduct**

1. MSP shall be responsible for the conduct and behavior of its employee. The Facility Management Agency MSP shall be fully responsible for any damage to the man and machine that occurs due to faulty workmanship during the period of the contract.
2. Services Facilities for IT equipments/AMC are required as per the PRSC requirements.
3. MSP should provide contact numbers (mobile and email id's) for registering the complaints, escalation matrix of contact numbers to report any problem related to the products under AMC.
4. Proper call report should be submitted on every engineer visit.
5. Action should be taken on the registered complaint within 24 hours. In case of emergency an early action will be required. Proper call report should be submitted on every engineer visit.
6. In the event of any theft/loss occurred, any and all claims, liabilities damages, costs, charges, expenses, proceedings & actions of any nature whatsoever made or institute against or caused to suffer by PRSC directly or indirectly to the Punjab Remote Sensing Centre on an account of negligence of agency (MSP's) employees, the MSP shall make good the loss sustained by the PRSC either by the replacement, or by paying, or on payment adequate compensation as decided by PRSC.
7. The manpower employed by the MSP must have good character and sound health cleanliness without history of drug abuse/ alcohol etc. and without any past criminal record. The Bidder assigned the final contract will produce the police verification record as well as the medical fitness certificate of all the employees hired by it.
8. It shall be the duty of the MSP to ensure that no manpower shall create any disruption/ hindrance/ problem in the objectives & operation of PRSC.
9. The instructions/orders issued by the PRSC from time to time shall also be followed by the MSP and its persons.
10. The guidelines issued by Government from time to time with regards to implementation of any mandatory provision or other statutory requirements must be complied by the MSP.

**(f) Other Conditions**

1. All plans, drawings, specifications, designs and other documents prepared by the bidder in the execution of the contract shall become and remain the property of the PRSC, and before termination or expiration of this contract, the bidder shall deliver all such documents to the PRSC under the contract along with the detailed inventory thereof.
2. The MSP and their personnel shall not, either during the term or after expiration of this AMC, disclose any proprietary or confidential information relating to the services, contract or the client's business or operations without the prior written consent of the PRSC.
3. For purposes of this clause, "Force Majeure" means an event beyond the control of the bidder and not involving the bidder and not involving the bidder's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the PRSC either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
4. The PRSC reserves the right to offer the lowest total price (L1) to the other technically qualified bidders and split the order. However, it is clarified that splitting of the order would be done in very exceptional case when the lowest bidder is not in a position to provide the support.
5. AMC/alternative arrangements at the cost of bidder will be made on the failure of the bidder to make IT equipments in working order as per Terms and Conditions. The difference of excess in cost thus incurred will be received from the bidder in a suitable manner and even from his pending bills, earnest money or security whichever is available.
6. All disputes, differences, claims and demands arising under or pursuant to or touching the contract shall be referred to the arbitrator(s) as per the provisions of the Arbitration Act. Such arbitration shall be held at Ludhiana only.
7. In all matters and disputes arising there under, the appropriate courts at Ludhiana alone shall have jurisdiction to entertain and try them.
